

## ENDURING MATERIAL LEARNER NOTIFICATION

### Well Assembled Meetings

#### 2022 Swedish Providence EndoScopy Nurses Conference Enduring Material

Date of CE Release: January 30, 2022

Date of CE Expiration: April 29, 2022

Location: Online

### Acknowledgement of Financial and/or In-Kind Commercial Support

No financial or in-kind commercial support was received for this educational activity.

### Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

### Accreditation Statement

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Well Assembled Meetings. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Nurses (ANCC) Credit Designation

Amedco LLC designates this activity for a maximum of 12.00 ANCC contact hours.

### Nurses (ABCGN)

According to the criteria of the American Board of Certification for Gastroenterology Nurses (ABCGN), the approved hours in this activity are considered GI Specific for the purpose of recertification by contact hours through the ABCGN. Maximum of 12.00 hours. ABCGN Tracking Number: ABCGN22\_003.

### Objectives - After Attending This Program You Should Be Able To

1. Determine success rates of Whipple in treatment of Pancreatic Cancer.
2. Discuss the differences between EMR and ESD techniques and when to use each technique.
3. Discuss recent therapies in restoring the microbiome and risks of each.

### Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1---6.2, 6.5)

All individuals in a position to control the content of CE are listed in the agenda. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
